E-SAFETY & ANTI-BULLYING

As part of our E-Safety learning in school some of our pupils took part in a cyberbullying workshop delivered by Actionwork.

The day started with a show teaching pupils all about how to stay safe online and how cyberbullying can make people feel.

www.actionwork.com

Actionwork are leaders in providing interactive and creative workshops in Anti-Bullying.

In the afternoon a large group of students participated in an E-Safety Workshop. Actionwork taught them how to stay safe online through discussion, drama and team games.

TOP TIPS FOR STAYING SAFE ONLINE:

- * Do not share your password
- * Make sure you have a strong password
- * 'Internet friends' are not real friends
- * Do not meet strangers from online
- * Do not give out personal information such as your name, address, age, phone number
- * Tell an adult if you see anything upsetting online
- * Be as kind online as you would in real life
- * Cyber-bullying is the same as bullying in real life - it is not acceptable
- * Do not share photos of people without their permission
- * Only use trusted, age appropriate websites

To find out more about E-Safety, visit the e-safety area (under Key Information Tab) on our website:
