

ADOPT - A - MINIBUS

AUTUMN TERM 2017

Classes 4, 9b and 11a P16SB have been looking after our minibuses this term.

All the students have enjoyed cleaning the buses and looking after their mascots. The students have worked as a team to wash, Hoover and polish their buses. It has been wonderful to see the students working together and feeling proud of themselves when they saw the results of their hard work.

I liked
hoovering the
bus and polishing
the windows

**Well done to all the pupils
for their hard work - we are
proud of you!**

I liked sweeping
using the dustpan
and brush to get all
the dirt out of the
gaps.

I had to make sure
that the lights,
windows and the
outside of the bus
were nice and
clean

I want to look
after the bus
every single day
because I like
washing the outside
