

## **Spring Common Academy Trust**

### **Statement on General Data Protection Regulation (GDPR)**

Spring Common Academy shall align all our processes using and retrieving subject data/ information to comply with GDPR in time for May 2018.

As part of this preparation we are already registered with the Information Commissioners Office (ICO) and have attended training. The Trust has completed a risk assessment and compliance check list as recommended by the ICO.

We request all our contractors and service providers to support our preparedness and provide evidence of GDPR compliance in readiness for May 2018.
