### WE ARE OUTSTANDING!

Following our Ofsted inspection on Tuesday 27th November 2018, we are absolutely thrilled to report that we have been judged once again as 'Outstanding'.

Our previous inspection was back in 2012 and are very proud of our continuing 'Outstanding' rating. To thank students and staff for all their hard work, we will be holding a BIG celebration next year; keep your eyes peeled for details in the coming weeks. (We can't spoil the surprise, but we can tell you that it may be Spring Commons biggest celebration to date!)

The full Ofsted report is available to view on our website. Below are some quotes taken from the report, which we feel particularly proud of.

*"A very strong feature of the school is the detailed knowledge that staff have of the needs of each pupil"*

*"Staff treat pupils with the utmost respect. They prioritise learning which ensures the pupils know how to stay safe and make sure that the learning environment is personalised to their needs"*

*"There is a shared sense of determination for ensuring that your pupils receive the highest standard of education. Staff share your aspiration for pupils and have created a welcoming environment where pupils can flourish both academically and in their personal development"*

*"The leadership team has maintained the outstanding quality of education in the school since the last inspection"*

Once again, thank you to all staff, pupils, parents and carers for making Spring Common Academy a truly outstanding place to learn.
