## CHILDREN IN NEED

Friday 17 November 2017

**Thank you for helping us raise a record  
breaking  
£410.92 !**

A Massive BIG thank you to everyone who helped to support our Children in Need fundraising Day on Friday 17th November. Pupils and staff had fun dressing in spots, eating lovely cakes, guessing the number of sweets in the jar and buying raffle tickets to win a variety of lovely donated prizes.

Pupils also enjoyed finding the numbered Pudsey bears hidden around the school and entering the Pudsey colouring competition. Well done to those who won. We raised £410.92 as a whole school. There were a number of raffle prizes won, Class 7B won the guess the how many sweets in the Jar competition and all pupils who entered the colouring competition and find the Pudsey bears were given a small prize. A special thank you to Rhiannon C who donated dozens of luxury cupcakes to the upper school cake stall and to the parents of Vinson in the lower school for making an extremely generous donation.

Thank you to everyone who sent in cakes and donated raffle prizes.
