## JAMROCK RESTAURANT

This term we started our new topic of the Caribbean. To expose ourselves to some culture and Caribbean food we visited Jamrock restaurant in Wellingborough. We tried lots of different tastes and new foods, such as Jerk chicken, curried goat, rice and peas, dumplings, Jamaican soup and much more.

The meal was incredible and the children's manners, behaviour, maturity and attitude to trying new things was equally so.

Take a peak at their menu below - what would you try?!
