CELEBRATING DIWALI

NOVEMBER 2017

Promoting an international ethos based on respect of different cultures our school celebrated Diwali last week. The classes took the opportunity in a range of subjects (RE, PSHE, Music, Art) to become more familiar with different customs and beliefs related to the big festival of light.

They learnt about the story of Rama and Sita and did role play. They were taught how to sign some special words for Diwali (light, dark, fireworks, celebration and holy) and presented the signs to assembly. They prepared India mango smoothies and a range of crafts including lanterns, firework painting, rangoli patterns and window decorations.

A lady from Farm to Fork Trail Guide from Huntingdo Tesco Extra came to do a Diwali talk with the students. She made with the pupils a delicious yogurt dip for them to taste. The students also enjoyed the Diwali dance workshop delivered by the Education Group. They learnt a series of dancing movements and produced some animals using their hands. They had a fabulous festive week! Well done to everyone!
