YEAR 7

MOUNTFITCHET CASTLE

Class 7s visited Mountfitchet Castle and the Norman Village.

MountFitchet Castle is an open-air museum where you can travel back in time - over 900 years, and see what it was like to live in a medieval Motte and Bailey castle.

There is a Norman village behind the walls where you will see many houses with real log fires to help create the scene of a bygone lifestyle.

The pupils had the opportunity to identify the different components of the castle and explore in a multi-sensory way the life-style during medieval period.

They walked through the village houses and learned more about the people, their jobs and their daily life. It was a fabulous experience and everyone loved it!

A Big Thank You to all the students in Class 7 for being super throughout the day
