

SUPPORTED LEARNING FOR 16-24 YEARS OF AGE

Our Supported Learning programmes are designed to help young people develop their life skills, independence and employability skills.

They enable young people to access their community and manage their health and wellbeing needs.

Our courses at both Cambridge and Huntingdon campuses are personalised and help our students prepare for their adult lives.

Pre-Entry
Duration:
2 Years

**Pre-Entry –
Entry Level 1**
Duration:
2 Years

Entry Level 1-2
Duration:
2 Years

Entry Level 1-2
Duration:
2 Years

**Gateway to
Improving
Choice**

**Learning for
Life**

Aspire

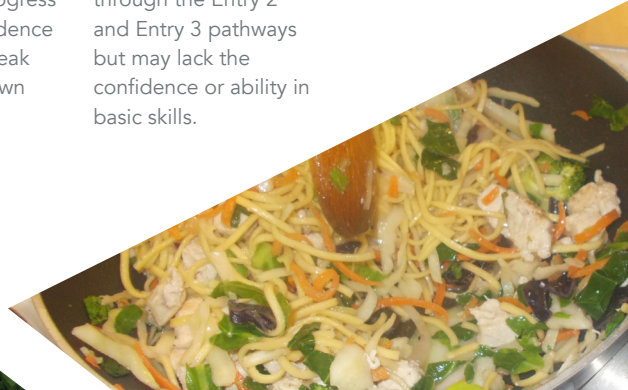

**Preparation for
Independence**

The Gateway/IC pathway is for young people aged 16 – 24 who have a variety of complex needs. They may have ASD, high sensory needs and limited communication skills. This pathway is uniquely built around the learner, their needs and their plans for the future.

Learning for Life is for young people aged 16 – 24 who have severe learning difficulties. This pathway concentrates on developing communication skills, community participation, building basic skills and skills for life, so that each person is able to make progress in their independence and ability to speak up about their own choices.

Aspire is a pathway for students that need to build their skills to move on to the pathways that have more accredited learning within them. Aspire can be a finishing course for Learning for Life students or a starting course for those that want to move on through the Entry 2 and Entry 3 pathways but may lack the confidence or ability in basic skills.

Preparation for Independence. This pathway is a good starting point for students who have moderate learning difficulties or for those students who have successfully completed our Aspire pathway.

Entry Level 3
Duration:
1 Year

**Entry Level 3 –
Level 1**
Duration:
1-2 Years

**Supported
Internship**

Archway

**Vocational
Pathways***

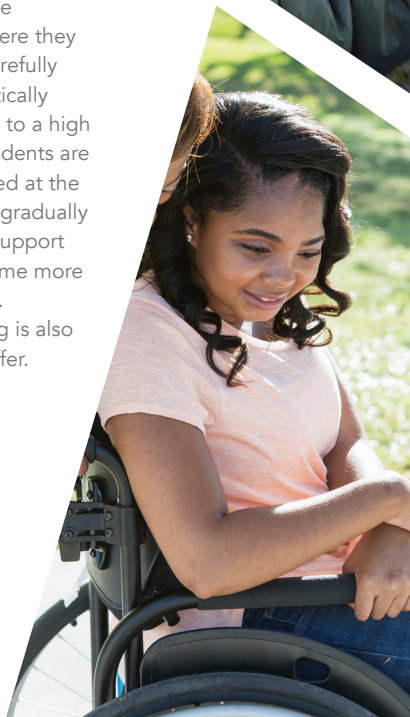

**Supported
Interns**

Archway is an Entry 3 pathway suitable for students with moderate or specific learning difficulties, who need time to develop their confidence, social skills and ability to study with greater independence. A mixture of business, employability, enterprise and life skills this course is an excellent starting point for students who are joining from mainstream or special schools and have already gained Entry 2 qualifications.

- Catering and Hospitality (based at St John's College Cambridge)
- Horticulture
- Land Based Operations
- Small Animal Care
- Introduction to Creative Industries Entry Level 3
- Sports & Leisure Industries
- Introduction to Business, Retail & Administration

Supported Interns have two days placed with a suitable employer where they are taught carefully and systematically to do the job to a high standard. Students are fully supported at the start and are gradually offered less support so they become more independent. Travel training is also part of the offer.

*In Supported Learning we have several Vocational Pathways. All are 3 days per week with, in some instances, work experience organised on a non-college day. The vocational pathways are all 1 or 2 years in length, (3 years catering only) with a view that they lead on to employment or supported internship.
