

POST 16 2018 PROM

"Awesome", "Best Prom ever", "Amazing lights, especially the ripply water ones" "Great music and props" "I loved arriving in style in the lorry" "I felt very grown up", "A new beginning", "Fabulous" - these were just some of the superlatives expressed by our students as they reflected on their 2019 Prom event of last Thursday!

The sun shone brightly for the cavalcade of horse and carriage, classic mini, lorry cab, tractor and many decorated vehicles for the arrival of our glamorous young ladies and stylish young men as they took to the red carpet for the 'Under the Sea' theme! The paparazzi of friends, family and staff recorded the event with pride and students posed with props in the photo booth.

The students worked in teams, to plan for this event. They created a Mocktail Bar and underwater themed drinks, made giant fish decorations, collected the balloons, drinks, shopped and prepared food, decorated the hall and entrance, compiled a play list, & generally 'glammed up' the school beforehand to transform it for this Gala night! We were most fortunate to have professional props and crew provided by a P16 family, to set up a magnificent backdrop, sound system, ripple effect up lighters and bubble machine to create the fantastic underwater ambience.

It was great to celebrate with old and new Post 16 students and staff and to give our Leavers a night to remember. It was a truly magical (and at times emotional) evening enjoyed by all!

Many thanks to all the staff and Conrad who gave up their time to support this wonderful event!

We wish all our families a very happy Summer holiday.
