

HAPPY BIRTHDAY TO THE NHS!

This week we bring you an extra special 'Latest News'. We have been working very hard to make a **GIANT** birthday card to celebrate the **70th birthday of the NHS**. We wrote special messages of thanks for all the people who help us and even drew a special stamp to stick on the envelope! We thought a lot about all the wonderful things the NHS has done to help us all and took the opportunity to say a big 'Thank you' to all staff.

Our fantastic card was presented at a very special Tea Party, held at Hinchingsbrooke Hospital on Thursday 5th July. School council members, along with proud parents and carers presented the card to NHS Chief Executive Caroline Walker. She gave a special speech and had lots of photos taken with us. We were very good at not feeling too shy and our wonderful pics will be featured in local newspapers... **Keep your eyes peeled for us!**

"It was nice to say thank you to the doctors and nurses who help me and the cake was really yummy"

We all loved the delicious NHS cake and some very kind staff also gave us some tasty gingerbread to try.

A big thank you to all the students who helped make our incredible card, school council members and parents and carers who came along to Hinchingsbrooke and Laura M. for masterminding our fun afternoon.

Finally the biggest thank you goes out to the NHS for all the amazing work they do day in, day out to keep us safe, healthy and happy.
