

WE ARE ECO-SUPERSTARS!

Spring Common is delighted to announce that we have been awarded the **Green Flag Award** for our involvement in the global Eco Schools Programme. The pupil-lead programme provides a framework for learning and action around nine key topics.

ENERGY * LITTER * BIODIVERSITY * SCHOOL GROUNDS * WATER *
WASTE * GLOBAL CITIZENSHIP * HEALTHY LIVING * TRANSPORT

"Spring Common is such an inspiring school to visit and I am extremely grateful to Mike, Sinead, Laila, Emily and Luigi for showing me around and telling me all about their duties as Eco Advocates"

Eco Schools Assessor

We are very lucky to have some brilliant 'Eco Advocates' who have helped to improve these 9 areas around the school. They have had lots of input in our Eco plan and even helped to show off all our hard work when our assessor came to visit. Luigi, Emily, Laila and all our other school Eco advocates, we are very proud of you and all your efforts.

Go Team Green!

"Thank you also to the head teacher, Kim for taking the time out of her busy day to voice her support and enthusiasm for the Eco-Schools programme. Well done to everyone and keep up the great work"
