12th September 2018

Dear Parents and Carers,

Jeans for Genes Day

Spring Common Academy will be taking part in this year's **Jeans for Genes Day** on **Friday 21st September 2018**.

Jeans for Genes is a national charity which raises money to fund care and support for children and their families affected by genetic disorders. It also supports research into the causes and treatments of these conditions, many of which can seriously affect a child's life.

Genetic disorders affect over 30,000 children born in the UK each year – that's 1 in every 25. There are an estimated 6,000 different genetic disorders, including cystic fibrosis, sickle cell anemia and muscular dystrophy.

Children and staff are invited to 'overdo it in denim' and wear as much denim as they like on **Friday 21st September**. One child from each class with the most inventive denim outfit will take part in a small fashion show in assembly that day! **Please send your child into school with a donation of £1.**

We will also be selling a variety of cakes on the day for 50p each.

Cake donations for our cake sale would be greatly appreciated please.

If you'd like to know more about Jeans for Genes Day, you can visit the website at www.jeansforgenes.com.

Thank you for your continued support.

Yours faithfully,

DP Sinead Gervis
