Dear Parents/Carers

SOCIAL STORY REQUESTS

Just a reminder to speak to your child's class teacher if you require a social story to support with the upcoming Christmas season, changes to routines due to Covid 19 or in fact any situation which may prove difficult.

Social stories are short illustrated descriptions of a particular event or situation which outline what to expect and so reduce anxiety and help teach new skills. The stories can be individualised using familiar people's names or photographs, images of favourite pastimes or places and using language your child can access.

We have some examples to download on the website but social stories work best when tailored to your child so do not hesitate to speak to the class teacher or myself.

All the best.
