5th February 2021

Dear Parents and Carers

I am pleased to have welcomed pupils and staff back into our early years classes today, after a period of self-isolation. I know they were glad to be back and fortunately everyone has been well during this time. We have had two more unconnected positive results in different areas of the school since I last wrote. These were well-contained and affected only a small number of staff and pupils. We remain vigilant with all our protective measures and our staff continue to be tested twice weekly.

I am attaching two documents from the local authority about the winter grants scheme to cover the half term break. Please do not hesitate to contact the school if you require further information and we will try to help you.

I appreciate everyone's continued co-operation with our beginning and end of day arrangements. If you have any concerns or wish to discuss your own situation please talk to your child's class teacher.

We have a small number of additional pupils planning to return after half term. If this is something you have thought about please discuss initially with your child's class teacher. We await further guidance on lockdown arrangements when we return from the half term break and will continue to keep you informed as soon as we have any information.

I know many of you at home are enjoying logging into our remote sessions and the staff here are keen to share the many things pupils have been doing in school and at home. It's a good way for everyone to keep in touch with their friends.

Finally a reminder that next Friday 12th February will be a training day.

Kind regards

Julia McIntosh
