21<sup>st</sup> June 2021

Dear Parents and Carers

We are very excited about this year's Arts Festival Week which will take place during the week beginning 28<sup>th</sup> June. Our theme this year will be:

### **Once Upon a Time**

All students at school will be accessing a range of activities and workshops in the fields of Art, Music, Dance, Creative Writing and Drama appropriate to their age and ability. We are pleased to be able to offer a few 'covid safe' workshop sessions and our in-house specialist teachers have provided extra training to our staff.

The week will culminate in a showcase event entitled:

### ***Spring Common's Got Talent!***

As part of our drive to ensure the safety of our school community, this event will be through bubble videos which will be available for you to watch on the school website from Tuesday 6<sup>th</sup> July. The students will be thrilled to show you the skills and performances they have learned. The crucial part of our delivery will be that the students have choice and ownership of their ideas where appropriate and we hope that this comes across in your experience.

Yours sincerely
