Dear Parent/Carer

RE: Chicken Pox

A case of chicken pox has been reported in your child's class. Please can you ensure to check your child for any spots. If you do find any spots, please report this to the school and we ask that you keep your child at home for at least five days or until all spots have crusted over (if this has not happened within the five day isolation period).

Please take extra care if you are classed as vulnerable or pregnant.

Yours Sincerely

Rebecca Greig
