

Spring Common After School Club – Spring Comets

April 2025

Spring Comets is an after school club open to pupils of all ages run by the school and staffed by experienced school staff. The aim is to provide a safe, fun environment where pupils can extend their social skills and participate in a range of activities in a relaxed environment. Jan Wall is the manager and Andy Moore is the deputy manager and both are trained as Designated Safeguarding Leads (DSL) to ensure the safeguarding of pupils. There is also a trained first aider on the team.

The club operates daily 3:15pm – 5:00pm and staff collect pupils from class and take them over to the club in the Elaine Bartlett building. A simple snack and drink are provided (e.g. toast and a drink) which is included in the cost of £18 per session. Snacks/cooking are nut-free as the kitchen also has regular school use. Where needed, personal care is provided. A sample timetable below shows typical activities.
