

Spring Comets Summer Club

5th June 2025

Dear Parents and Carers,

We are delighted to be running the Summer Club this year from Monday 28th July to Friday 1st August 2025 inclusive from 10.00 am until 2.00 pm, with the same staff who work at the after school club.

This is offered on a first come first served basis for all students. We cannot promise that you will be allocated all the days that you request, or that you will be successful in gaining a space but we will do our best to accommodate. All students will need a packed lunch each day. Snacks will be provided. Activities will be linked to summer fun and student interest.

We are unable to offer transport, so students attending will need to be dropped off and picked up each day.

The cost for this activity will be £40 a day, you will receive an invoice from the office once the places are confirmed. All invoices need to be paid by Friday 18th July, to secure your place at Summer Club.

The cost is less per day than last year as we are offering 4 hours per day this year over 5 days, compared to 5 hours per day over 4 days last year.

This was a very popular activity so please complete and return the form below electronically if you are interested in attending, or would like more details.

Thank you.
