Spring Common Academy is a special school with a welcoming, nurturing environment where the class team work together to ensure all the students excel and reach their potential.

We are excited to introduce a brand new role, Pastoral Mentor – to support the welfare, emotional regulation and engagement of our pupils across the school.

Experience of working with special needs children is desirable, but not essential. Full training and support is given. The successful candidate would need to understand and use ICT systems.

The post offers a good opportunity to work with supportive and friendly teams.

Visits to the school can be organised prior to applying, but potential candidates would be encouraged to look at the school website for further information.

All appointments are subject to satisfactory references, health and DBS check. The school has an Induction Programme and an ongoing commitment of staff professional development.

Application packs, including an application form are available on mynewterm <https://mynewterm.com/jobs/142557/EDV-2025-SCA-85452>. Potential candidates would be encouraged to look at the school website.
