Dear Colleagues

I wanted to write to you all following the joint announcement by Cambridgeshire County Council and Peterborough City Council on 15 November 2017 that Jonathan Lewis has been appointed to the role of the shared Service Director for Education.

As many of you will already be aware Jonathan currently works at the Department of Education as the Deputy Director for the East of England's Regional Schools Commissioner and has previously worked for Peterborough from 2007 to 2015 in a number of roles, including Assistant Director for Education.

The appointment process was robust and involved an initial interview panel of Headteachers from both authorities followed by Joint Employment Committee. Jonathan will take up his role in February 2018 and will be supporting the ongoing work with schools to ensure standards improve in both Cambridgeshire and Peterborough.

Yours sincerely
