

# ADOPT - A - MINIBUS

## AUTUMN TERM 2017

CLASS 16SB  
HOLDEN CAULFIELD & MINIBUS GX53 LKK

My class loved adopting a minibus and especially enjoyed having Holden as our mascot. The whole of Class 4 got involved in cleaning both the inside and outside of the mini bus recently. They took it in turns to polish, Hoover, clean and use the hose on the outside.

I want to look after the bus every single day because I liked washing the outside.
