

About your Immunisation Injection:

You will go to the room for your immunisation.

You will be given a form.

You will have to wait your turn.

You need to stay calm.

The nurse will ask you to come in the room and sit down.

The nurse will ask you your name and date of birth.

About your Immunisation Injection:

The nurse will ask you if you are feeling well today.

You must be well to have the immunisation.

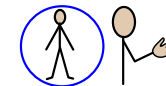

You need to roll up your sleeve to have the immunisation.

You will feel a slight scratch when the immunisation goes in your arm.

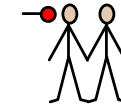

The nurse will put a plaster on the immunisation site to keep it clean.

The nurse will give you a leaflet for your parent/carer.
