

3DW Home Learning Ideas

1. Write postcard messages to other people in your family / friends and post them, email messages.
2. Research about a topic of interest to you (London, British Isles, Famous landmarks in the UK). Record key words and information / phrases.
3. Create your own newspaper article or mini newspaper using pictures, photos and simple paragraphs to give information.
4. Create simple maps - draw map of bedroom, house, garden; add a simple compass rose to show north, east, south, west.
5. Look at maps of local areas. How could you get to different places?
6. Read a book and write a review. Look at nonfiction books and discuss the contents; use index page to find key information.
7. Play games using turn-taking, number skills and reading skills. Play other games such as puzzles, throwing, catching, memory games and card games.
8. Access www.twinkl.com and singing hands on you tube to use Makaton signs.
9. Time how long it takes to complete different activities - drink a drink, run from one end of garden to other end, read a sentence etc.
10. Cooking activities reinforcing how we use measurement.
11. Discuss stories - ask questions (who, what, why, where).
12. Watch BBC Newsround daily and discuss information given - what do they think? https://www.bbc.co.uk/newsround/news/watch_newsround
13. Look at animal lifecycles.
14. Sequence events in a story and write character profiles using adjectives.
15. Draw characters and scenes and write captions of what characters are saying.
16. Sensory activities - water and sand play, using different materials, moving to music in different ways.
