

$$2 \times 2 = \underline{\quad}$$

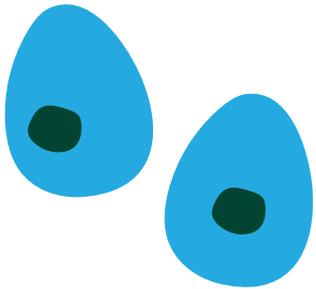

$$2 \times 3 = \underline{\quad}$$

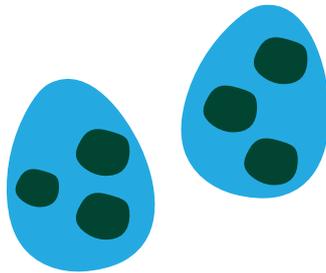

$$2 \times 4 = \underline{\quad}$$

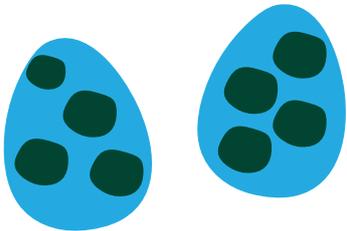

$$2 \times 5 = \underline{\quad}$$

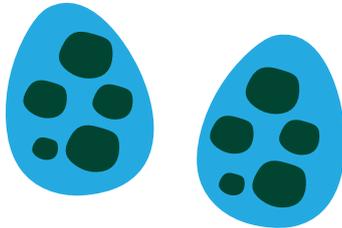

$$1 \times 2 = \underline{\quad}$$

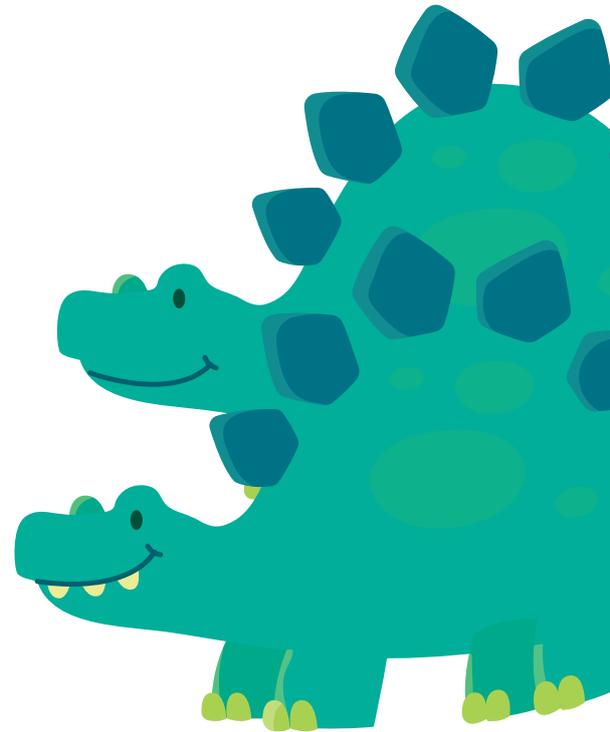

$$3 \times 2 = \underline{\quad}$$

$$4 \times 2 = \underline{\quad}$$

$$5 \times 2 = \underline{\quad}$$

How many eggs are there altogether?  $\underline{\quad}$

Can you write this as a sum?

$$2 \times \underline{\quad} = \underline{\quad}$$
