

Name:

My Art Hero

Choose an artist that you really like. For ideas look through books, encyclopedias or a website like: [Online Gallery: Collective Experience](#). You might decide to use an artist whose work we saw on our museum visit or someone we have studied in class.

1. Find out at least 5 facts about the artist. (eg: when did they live and where?)

2. What type of art did they make? (eg; sculpture, printing, painting, drawing?)

3. What did people think of them at the time?

4. What do you like about their work and why?

5. What does your family like or dislike about their work?

6. Do a copy of your favourite piece of their work here:
