Addition and
Subtraction to 20 with a Number Line

| Example: |  |
| :---: | :---: |
| $11-5=6$ |  |

Can you work out the answer and draw a picture or write a sentence about it? The first one is done for you.

| $18-6=$ | My Dad buys 18 eggs but breaks 6 of them. How many eggs does he have left? |
| :---: | :---: |
| $8+12=$ |  |
| $11+9=$ |  |
| $17-8=$ |  |
