

Art Ideas Summer 3SB

These are related to the art planning for these classes and are adapted for home learning.

Google artists such as Andy Warhol, Roy Lichtenstein and Claes Oldenburg.

These American 'Pop' artists used everyday objects and images and made them look exciting, bright and colourful.

Choose an object in your home. Take a photograph of it and do a drawing.

Now, either colour over a print-out of the photograph or your drawing. Add bright colours and dark thick outlines. How exciting can you make a leaf? Or a cuddly toy? Or a book?
